**ASSESSMENT OF THE LEVEL OF YOUR ANILCA BACKGROUND
AND YOUR AREAS OF INTEREST**

This seminar was prepared for both those who know very little about ANILCA and those who work with its provisions on a regular basis. The following feedback will help us prepare for your participation.

- I know very little about ANILCA and would like a general introduction to its history, its key concepts and the influence it has on major Alaska issues.
- I know quite a bit about ANILCA but want to learn more.
- I work with ANILCA issues regularly but need a deeper understanding of many of its provisions.

Specifically, I am interested in the following ANILCA related issues:

- All of the issues listed below
- The Alaska context – our history and visions
- The battle for statehood, the Compact, and building an economy on the “commons”
- The struggle leading to the passage of ANILCA, the mobilization of national conservation interests and the intent of Congress when the bill passed
- The geographic context of the Conservation System Units
- Management principles for the Conservation System Units (parks, etc.) in Alaska – revising management plans and the step-down planning process
- Alaska exceptions written by Congress to enable the continuation of the Alaska way of life and a healthy economy
- Access across Conservation System Units and to inholdings; the definition of "compatible with the purposes of a conservation unit" as it relates to access
- Wilderness reviews and exceptions to the Wilderness Act in Alaska
- Subsistence, including definitions of rural priority, customary trade and management
- General hunting and fishing in National Parks and on other federal lands
- The Arctic National Wildlife Refuge and the debate over the 1002 area
- How ANILCA interfaces with the Alaska Native Claims Settlement Act – access, 17(b) easements, Native allotments, etc.
- Who owns what, including navigable waters, submerged lands and valid existing rights including RS2477 rights-of-way
- Recordable Disclaimers of Interest

Thank you. See you in March!
